

Preventive medications list

This list provides examples of commonly prescribed preventive Medications, it is not an all-inclusive list; only examples of medicines in each category are listed.

Coverage prior to the deductible being met may not be provided for every dosage form of a listed medication.

This list does not indicate coverage. Please check with your plan administrator and/or benefit information materials if you have questions on coverage. Your cost share will be determined by your plan's drug coverage and formulary plan.
